Checks or Money Orders Only

Since the organization of The Georgia Horse Council in 1995 there have been changes in organizational structure, personnel and venue of events. During the past few years the equine industry has certainly had its ups and downs. The Georgia Horse Council is fortunate that our membership has stayed strong and participation in our events keep increasing year after year. We want to stay strong and continue to promote the equine industry. The only way to contact us now is through our email address, which is office@georgiahorsecouncil.com or the Postal Service. As a member of GHC you have automatic member benefits with Association Resource Group. To access these great benefits, visit their website at www.associationresource.net and click on the "Member Benefits" tab. Once on their member benefits page, you can click on the various benefits to access the ARG members-only discounts.
